

# ANUBHAV DAS

Climate-tech investor and deep-tech operator | Berlin, Germany

anubhavdas1993@gmail.com | +49 174 2583648 | [LinkedIn](#)

## EDUCATION

**ESCP Business School** (Paris, Berlin)

2018 - 2020

MSc Management & MSc Finance | ESCP Merit Scholar | GMAT 710

**BITS Pilani** (India)

2011 - 2016

MSc Biotechnology & BEng Chemical Engineering | Minor in Media Businesses | Top-ranked private technology institute (FT)

## WORK EXPERIENCE (10+ YEARS)

**Zaffra** (JV of Sasol & Topsoe; developing commercial-scale eSAF in Europe)

Nov 2022 - present | Berlin

**Market Intelligence & AI Lead**

- **Commercial & market intelligence lead** across six verticals (eSAF, HEFA, hydrogen, CO2, oil & gas, airlines): competitive landscapes, regulatory frameworks (ReFuelEU, RED III / RFNBO), feedstock economics and offtake structures informing ExCo decisions and multi-billion-euro grant applications across EU, Americas and APAC
- **Own the techno-economic & GHG/LCA models** underwriting commercial-scale eSAF projects (Fischer-Tropsch / power-to-liquid): unit economics, feedstock cost tracing, ticket-price impact across fleet archetypes and offtake economics, i.e. the same underwriting a deep-tech fund runs before it commits capital
- **Build the firm's analytical infrastructure:** proprietary databases, scenario models and internal software applications; lead the company opposite external technical and commercial consultants on RFQ and diligence workstreams
- **Lead firm-wide AI adoption:** shipped internal tools, agentic research workflows and a deployed web application used across the company; authored the AI usage & IP policy and ran a seven-week training programme; co-lead the AI pilot reporting to the executive sponsor

**Plus VC** (fund > \$50M; 500 Startups spin-off, MENA deep-tech)

Mar 2022 - Dec 2022 | Remote

**Investment Professional**

- **Sourced 400+ startups** across fintech, industrial tech, supply chain and enterprise SaaS; presented 18+ seed opportunities to IC, 6 approved
- **Built sector deep-dives** across six MENA markets and supported 24 portfolio companies on follow-on rounds, GTM and key hiring

**Climate Endowment** (AUM > \$180M; backed by Harvard Endowment, ERAFP, AP4)

Mar 2020 - Mar 2022 | Berlin

**Investment Associate**

- **Originated a 45+ deal pipeline** across renewable generation & storage, regenerative agriculture and forestry (EU, LatAm, ANZ); presented 12+ to IC, 8 approved; average deal size \$15M
- **Co-led investor relations** and raised > \$150M from LPs including Arcadia, SMU and TRG; built pitch decks, models and sensitivity analyses
- **Recruited & trained 3 analysts;** built the firm's investment processes, financial models and ESG scorecards across asset classes

**Wermuth Asset Management** (AUM > \$130M; pioneer DACH / BeNeLux climate-tech VC)

May 2019 - Mar 2020 | Berlin

**Investment Analyst**

- **Led origination & preliminary DD** across a 200+ cleantech pipeline (mobility, agriculture, materials, direct carbon capture, renewables); invested in companies including The Mobility House and NexWafe
- **Ran portfolio operations & LP reporting,** driving fund turnaround-time improvements of 72%

**AIE Services** (B2B media services; NDTV "Startups to Watch" 2016)

May 2016 - Sep 2018 | Mumbai

**Co-founder & COO**

- **Built to ~\$100K revenue in 300 days** with clients including Flipkart, Amazon, Oyo and Uber; scaled to 18 FTEs managing 3,000+ vendors across 32 cities
- **Exited** via a secondary stake sale to a regional telco

## BEYOND THE DESK

**Public profile:** Write a widely-read analytical voice on energy sovereignty, eSAF economics and the Fischer-Tropsch lineage; content engaged by sector CEOs and policy leads.

**Grant-stage diligence:** Co-led technical and financial DD on 100+ MedTech / energy / climate startups for the EU Innovation Fund & Horizon 2020 (AUM > \$300M; EIB / Bpifrance).

**Angel investing:** ~\$15K across 9 early-stage platforms as part of angel cohorts.

**Pro-bono & social:** Climate-tech investment thesis work for a German VC; Brandenburg animal-welfare expat initiatives; sponsor K-12 education for 3 specially-abled students in India.

**Languages:** English (native), Hindi (native), Bengali (professional), Odia (professional), German (elementary, A1), French (elementary).

## SELECTED DEAL HISTORY

*Representative transactions across cleantech, energy and deep-tech (origination, diligence and execution).*

| Firm               | Opportunity                                       | Size    | Stage    | Role       |
|--------------------|---------------------------------------------------|---------|----------|------------|
| Sasol / Zaffra     | Brownfield eRWGS HEFA-to-jet, USA                 | ~\$1.2B | M&A      | Co-invest  |
|                    | Greenfield bPTL sustainable aviation fuel, Sweden | ~\$1.6B | Series B | Lead       |
|                    | Biogenic CO2-to-SAF, Germany                      | ~\$700M | Series B | Lead       |
| Climate Endowment  | Large EU renewables developer                     | ~\$150M | M&A      | Warehoused |
|                    | Managed forestry & CO2 credits, Aus & NZ          | ~\$60M  | Buyout   | Exited     |
|                    | 50 MW renewable portfolio, Germany & Austria      | ~\$60M  | Buyout   | Portfolio  |
|                    | 50 MW renewable portfolio, Spain                  | ~\$46M  | Buyout   | Portfolio  |
|                    | 30 MW renewable portfolio, France                 | ~\$45M  | Buyout   | Portfolio  |
|                    | 30 MW brownfield hydropower, Norway               | ~\$35M  | Buyout   | Portfolio  |
|                    | 12 MW greenfield wind park, Germany               | ~\$30M  | Buyout   | Portfolio  |
|                    | 20 MW greenfield solar park, Portugal             | ~\$16M  | Buyout   | Exited     |
|                    | 20 MW hydropower portfolio, Turkey                | ~\$14M  | Buyout   | Portfolio  |
|                    | Managed forestry & CO2 credits, LatAm             | ~\$15M  | M&A      | Exited     |
|                    | EV charging & energy-storage manufacturer, EU     | ~\$14M  | Series B | Lead       |
|                    | Energy-storage system manufacturer, EU            | ~\$12M  | Seed     | Co-invest  |
|                    | Monocrystalline green solar-wafer maker, EU       | ~\$7M   | Series B | Lead       |
| Wermuth AM         | Reusable packaging system, EU                     | ~\$5M   | Pre-A    | Co-invest  |
|                    | Wastewater treatment & purification, EU           | ~\$5M   | Series A | Exited     |
|                    | Mycelium-based food products, EU                  | ~\$9M   | Pre-A    | Lead       |
| Joyance EU         | Digital veterinary consultation platform, EU      | ~\$4M   | Seed     | Co-invest  |
|                    | Chronic-care healthcare application, EU           | ~\$2.5M | Seed     | Co-invest  |
| Plus VC            | B2B expense management, UAE                       | ~\$300K | Seed     | Co-invest  |
|                    | Financial-literacy application, KSA               | ~\$250K | Pre-A    | Lead       |
| EU Innovation Fund | Floating offshore-wind system, EU                 | ~\$800K | Seed     | Lead       |
|                    | CO2-to-biodegradable biopolymers, EU              | ~\$500K | Seed     | Lead       |
